

Synergy Product Comparison for Replicator

| Component | Feature | Basic | Basic+ | Standard | Standard+ | Enterprise | Run-time |
|---------------------|---------------------------------------------------------------------------|-------------------------------------|-------------------------------------|-----------------------------------------|-----------------------------------------|-------------------------------------------------------|-----------------------------------------|
| Scheduling | Manual Initiated or Timer Service | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |
| | Immediate Replication | | | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | |
| Connections | Farm limit – 2 connection limit | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | | | | |
| Partners | Farm limit – unlimited | | | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |
| Presentation Layer | Look and Feel (webparts etc) | | <input checked="" type="checkbox"/> | | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |
| Extras | Connect licenses included | | | | | <input checked="" type="checkbox"/> (2) | |
| Replication Engines | Single Server Services | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |
| | Multiple Server Services (failover, distributed processing, high traffic) | | | | | <input checked="" type="checkbox"/> | |
| | Multi-threading Capability (scalability and high traffic) | | | <input checked="" type="checkbox"/> (4) | <input checked="" type="checkbox"/> (4) | <input checked="" type="checkbox"/> (10 to unlimited) | <input checked="" type="checkbox"/> (4) |
| Workflow | Workflow Replication (Built-in and Visual Studio Definitions) | | | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |
| Alerts | User Alerts Supported | | | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |

| Component | Feature | Basic | Basic+ | Standard | Standard+ | Enterprise | Run-time |
|-----------------|----------------------------------------------------------|-------|--------|----------|-----------|------------|----------|
| API | Command line scripting (repadm) | | | ☑ | ☑ | ☑ | |
| | PowerShell scripting support | | | | | ☑ | |
| | Webservice APIs support | | | | | ☑ | ☑ |
| Content | Full web application replication | ☑ | ☑ | ☑ | ☑ | ☑ | ☑ |
| | Site collection replication | ☑ | ☑ | ☑ | ☑ | ☑ | ☑ |
| | Individual site replication – with destination remapping | | | ☑ | ☑ | ☑ | ☑ |
| Logging | Transaction logging (event tracking) | | | | | ☑ | ☑ |
| Offline Support | Offline Replication Packaging | | | ☑ | ☑ | ☑ | ☑ |
| | Offline Replication Unpacking | ☑ | ☑ | ☑ | ☑ | ☑ | ☑ |
| Remapping | Domain Remapping | ☑ | ☑ | ☑ | ☑ | ☑ | ☑ |
| | User Remapping | | | ☑ | ☑ | ☑ | ☑ |
